# A Letter from our CEO

**Dear Supporter,**

To this day, I am still amazed at what a little girl from Memphis, Tennessee could accomplish, see, and create. As I take a moment to reflect on where I have been, I am tremendously grateful to have mentors, compassionate men and women in my corner, and great organizations in my life to help me see there is a whole world out there for me to explore. I took advantage of the resources provided to me and am amazed at where those resources, connections, and relationships have taken me and continue to take me. I want to be that same resource for the next generation.

I am grateful to be in a position to give back to the communities that have been so impactful to me: Memphis, TN, Providence, RI, and the Washington DC Metropolitan Area. The Brownlee Family Foundation (BFF) is my vehicle for giving back, paying it forward, and creating the next generation of leaders and compassionate citizens. BFF will give out scholarships to students to help them pursue their life-long dreams or any opportunities that help them obtain critical life skills.

I will not be satisfied with simply being the face of this nonprofit. I vow to be on the grounds, in the communities, and in the classrooms where the important work is being done. I will be present and involved. I hope my work with BFF inspires others to join the work in bridging the gap between students' dreams and their reality.

Thank you for your support in advance. I look forward to growing BFF and the services we can provide to our BFF communities.

Sincerely,

*Stephani T. Brownlee*
